I was responsible for writing and adhering to multiple budgets for advertising, activities and events, and purchasing. Under my leadership Oregon Paddle Sports saw over 400% growth since 2015 and averages a five-star rating on google and social media.

REPAIRS AND RENTALS/BURGS SKI SHOP

As a member of Burgs team, I worked closely with customers to help them plan their trips to the snow. I provided information on snowshoeing, cross country skiing, downhill skiing, and snowboarding. I also worked extensively tuning and repairing damaged skies and snowboards.

EDUCATION

BACHELOR OF SCIENCE 2014

University of Oregon

I earned a degree in Mathematics and Physics while leading a physics lab as an Undergraduate Teachers Assistant. I focused on analytics creating models for optimum efficiency and preferred results.

HOBIES

From 2008 – 2011 I raced mountain bikes across the state as a junior athlete. I was sponsored by my local bike shop where I worked in the summer.

I enjoy kayaking, canoeing, and rafting finding solace on the water and in the wilderness as well as thrills paddling through some sick whitewater!
